

TEXAS PIRATES

Texas Pirates Baseball is excited to officially announce our fall season plan.

It's our goal to have a completely sponsor/donor funded organization, so you the parent can focus on nutrition and support for your player rather than where the next \$75 for the upcoming tournament is going to come from.

In short, No Club Fee's This Fall, No Monthly Dues, No Facility Fee, No Coaches Fee, No Uniform Fee and even NO TOURNAMENT FEE's...

With the game of YOUTH baseball quickly growing and becoming a business we want to make sure that our coaching staff does not fall into that world and truly supports their players for the love of the game.

At Texas Pirates Baseball it has always been our mission to teach the game of baseball and create an environment where young baseball players can work to achieve their dreams of playing at a higher level. In doing this we hope to establish a love for the game that will never leave them.

It is our goal to continue to reach out and give back to the community. We will be actively looking for opportunities to give players a chance to play Select/Travel/Competitive baseball who would otherwise be priced out of having this experience.

As we collectively raise funds, please remember we are not doing this for just your player, your team, or your friends, but for the players in our communities who NEED an opportunity like this, for the hidden talent stuck in go no where league who's parents would never consider playing at this level because of the financial strain it will put on their family, for the smile brotherhood and competition will put on that players face, and for the opportunity to serve others.

Let's be a TEAM – Together Everyone Achieves More.

Let's TEAM-up to make this a successful season for our players and the players looking to be a part of this exciting organization.

Thank you for your support of Texas Pirates Baseball, Inc.
